Facials

All facials include a double cleanse, exfoliation, steam, extraction, masque, paraffin & massage of shoulders, arms & hands. Duration of 1 hour.

Skinfinite Signature Facial
A Theraderm facial designed for all skin types & made to address all skin concerns including acne, wrinkles and uneven skin tone. All products used in this treatment are oil, gluten, paraben, & fragrance free. $75

SkinCeuticals Facial
Prevent with antioxidants, correct with alpha and beta hydroxy acids & protect with award winning sunscreen. We can customize this facial to any skin type, concern or need. $75

Beaute Pacifique Facial
An intensive anti-aging treatment designed to combat fine lines & wrinkles, improve the loss of elasticity and stimulate collagen. Your skin will look healthy with a smooth appearance and glow. $85

Ageless Facial
Utilizes AHA blends, nutripeptides, retinols, lightning agents & anti-oxidants to produce younger looking skin. Skin that looks older, photo damaged, pigmented, dull or tired will be rejuvenated. $75

Vital C Facial
The combination of Vitamin C, antioxidants & peptides quenches your skin, diminishes the appearance of fine lines, & restores the vitality and texture of your skin. Ideal for environmentally damaged, dry, dull, oily, acneic & rosacea skin. $75

Clear Cell Facial
A highly effective acne skin care line that utilizes the most effective acne fighting ingredients and potent anti-inflammatory botanicals. Clear Cell fights acne, reduces inflammation, eliminates excess oil and purifies skin. $75

Max Facial
A progressive exfoliating treatment that contains the most advanced fusion of ingredients including plant derived stem cells, pepticles, AHA’s & more sophisticated forms of Vitamin C – all working together to provide the maximum in correction, prevention & nutrition to even the most neglected skin. $90

Illuma Facial
Lighten, Brighten & Illuminate the skin! This luxurious treatment helps to correct hyper-pigmentation, uneven skin tone and acne scarring, leaving the skin hydrated and illuminated. $75

OrMedic Facial
An infused blend of organic and medically effective ingredients designed to rebalance tired, stressed and dull looking skin. With highly potent anti-oxidants and no chemicals, acids or parabens, this facial is perfect for all skin types. $90
HydraFacial MD

HydraFacial MD is a non-invasive, multi-step treatment that combines the benefits of next-level hydradermabrasion, a chemical peel, automated painless extractions (no pinching!) and a special delivery of antioxidants, hyaluronic acid and peptides. It does all of this in one quick treatment that delivers real results without downtime or irritation. Duration of 45 minutes. $200

Hydra Facial Add Ons - These are additions that are designed to enhance your treatment and to help with various skin conditions.

LED Red Light/ Blue Light - Softens fine lines & wrinkles, helps hyper-pigmentation, calms areas of red, irritated skin. This light therapy is great for patients that have not responded well to antibiotic therapy for problematic acne. $50

Dermabuilder “Botox in a bottle” - This uniquely formulated combination of peptides is designed to help stimulate collagen production and improve cell structure strength. It helps to reduce fine lines and wrinkles. $50

Lymphatic Drainage - This gentle treatment encourages the natural circulation of the lymph, removing wastes, toxins, and excess water while increasing the flow of fresh oxygen and nutrients to the skin. Good for tired and puffy areas on face & under eyes. $50

Britenol - Intensive spot corrector, clinically proven to eliminate brown spots, sun spots and hyperpigmentation without the use of harsh chemicals.$50

CTGF - Stimulates tissue repair and regeneration, reduces fine lines and wrinkles while promoting formation of elastic fibers and collagen to achieve soft & supple skin. $50

Clinical Couture Peels

A chemical peel is a non-surgical procedure that improves the skin texture and radiance. Support healthy collagen levels for firmer skin. Diminish fine lines and wrinkles. Lighten dark spots and even out skin tone. Reduce acne blemishes and help prevent future breakouts. Revitalize sensitive skin while decongesting pores.

O2 Lift
This luxurious treatment infuses oxygen, plant-derived stem cells, peptides and a high concentration of enzymatic botanicals into the skin leaving it luminous, refreshed and rejuvenated. $140

OrMedic Lift
A blend of pumpkin, pineapple, papaya, and mango fruit enzymes and peptides in an organic aloe vera gel base; this non-chemical peel rebalances, regenerates, and restores skin while comfrey plant stem cells recharge your skin’s stem cells helping to maintain youthfulness of skin. $140
The Signature Facelift
Our signature results-driven treatment combines vitamin C, hydroxy acids and enzymes to speed up cellular renewal. New technology of centella stem cells support rosacea/redness prone skin and botanical detoxifying and energizing complexes give noticeable results in just one session. $140

Lightening Lift
Uneven complexions have met their match. The results-driven treatment combines the most innovative and effective botanical brighteners luminescence and seashine with echinacea plant-derived stem cells and anti-aging peptides immediately leaving the skin younger looking and luminous. $140

Acne Lift
A potent blend of alpha and beta hydroxy acids blended with lilac plant-derived stem cells to reduce blemishes, redness and diminish post breakout dark spots. Detoxifying ylang ylang and eucalyptus purify oily skin and effectively treat and heal acne lesions. $140

Wrinkle Lift
This ultra-resurfacing blend of glycolic acid and retinol visibly reduces the appearance of fine lines and wrinkles leaving skin firm and revitalized. Buddleja stem cells reduce inflammation and diminish photo-aging, botanical coffee and peppermint energize, while eucalyptus and ylang ylang purify the skin. $140

Beta Lift
This powerful non-blended beta hydroxy acid treatment quickly and effectively targets and improves moderate/severe acne. $140

Perfection Lift
Our exclusive blend of exfoliating agents is combined with powerful anti-oxidants, correcting peptides and plant-derived stem cells to create “perfection” when treating advanced pigmentation, acne and aging conditions. $140

SkinCeuticals Pigment Balancing Peel
Our SkinCeuticals pigment balancing treatment helps to accelerate cell renewal and dramatically improve the uneven appearance of photo damage, and reveal smoother, brighter skin. $85

Gel Peel Salicylic/Mandelic
SkinCeuticals Gel Peel SM (salicylic-mandelic) is a light, safe and naturally derived chemical peel that cleanses skin and clears congested pores while exfoliating and evening out skin complexion. All while being virtually painless! $85

SkinCeuticals Lactic Peel
Reduces signs of photo aging including fine lines, wrinkles, dullness and visible skin imperfections in a series of 4-6 procedures. $85
**SPA MENU**

**Gel Peel Glycolic/Lactic**
collagen synthesis & elastin fibers while promoting cell renewal. Also reduces formation of fine lines & wrinkles. $85

**Micropeel Plus Salicylic**
This treatment promotes the skin’s renewal process to aid in the reduction of acne and to improve rough texture, blotchiness, and uneven skin tone. $85

**Jessner Peel**
The Jessner Peel was designed to remove superficial layers of skin, dry out active acne, dislodge blackheads, reduce shallow wrinkling and scarring, help lighten hyper pigmentation and improve the overall appearance and health of sun-damaged, acne prone, aging skin. $140

**TCA Orange Peel**
A physician-only TCA/salicylic acid peel that aggressively treats aging and sun damaged skin. A single application reveals a new you! $200

**Frost Peel (Jessner/TCA) - $200**

**TCA** - Call for details. 10% $200, 15% $250, 20% $350.

**DermaSweep**
DermaSweep, MD is a form of microdermabrasion that is performed without the use of crystals. Unique bristle attachments gently lift the skin surface sweeping away dead layers of skin.

**DermaSweep**
A clinical microdermabrasion treatment that exfoliates your skin leaving a smoother and fresher looking skin. $90

**Facial & DermaSweep**
This treatment combines both the exfoliation of the DermaSweep and a custom tailored facial to meet your skincare needs. $150

**Dermaplane**
Dermaplaning is a non-invasive and painless procedure in which the surface dead skin cells are manually scraped away. This increases cellular turnover, smoothens and softens skin providing immediate results. $125
Sciton Laser

HALO Treatment
The Halo is the world’s first hybrid fractional laser, simultaneously delivering non-ablative and ablative wavelengths in a single pass over the skin. The Halo Laser focuses energy on the deeper collagen layer of skin leaving the surface of your skin largely in tact for a quicker healing time. It delivers the results of an ablative procedure with little-to-no downtime, like a non-ablative treatment. The best of both worlds!
Non-Ablative Treatment – Face - $1,600.00 / Ablative Treatment – Face - $2,000.00
Neck Add On $500.00 / Chest Add On $500.00

SkinTyte II
SkinTyte utilizes infrared energy to deeply heat soft tissue while protecting the entire treated area with sapphire contact cooling. Targeted heating causes soft tissue coagulation and collagen contraction, resulting in firmer, more youthful skin appearance. $500

BBL (Broadband Light) Treatment
Face - $500.00 / Face & Neck - $600.00 / Face & Chest - $600.00 / Face, Neck & Chest - $1,000.00
Hands - $200.00 / Lower Arms & Hands - $600.00 / Extremities - $800.00

Forever Young Treatment BBL
Improves vascular redness, appearance of rosacea, pigmented brown spots, sun damage, skin texture, and improves collagen structure. A recent Stanford study concluded it actually reverses the aging process. $1,200.00

Forever Nano (BBL & NanoLaser Peel) - $750.00

Acne BBL Treatment - $200.00

Laser Hair Removal
This treatment provides a treatment that is safe, fast, efficacious, and comfortable. The motion BBL technology allows for extremely even heating of hair follicles and minimizes missed areas that occur with traditional hair removal devices.
15 Min Treatment: $150 / 30 Min Treatment: $300 / 45 Min Treatment: $450 60 Min Treatment: $600

NanoLaser Peel
NanoLaser treats skin conditions such as wrinkles, scars, acne scars, laxity, keratoses, & pigmentary.

MicroLaser Peel Resurfacing
Full Face Resurfacing $5,000 / Superficial Face Resurfacing $1,500
**Injectable Treatments**

**Juvederm XC & Ultra Plus**
Derma-Filler Injectable for areas of the face where more volume is desired.
Lasts up to 12 months. $600 per syringe

**Juvederm Voluma XC**
Derma-Filler injectable gel is for deep injection in the cheek area to correct age-related volume loss.
$1,000 per syringe

**Radiesse**
Radiesse is a dermal filler that is indicated for hand augmentation to correct volume loss in the back of the hands, and for smoothing moderate to severe facial wrinkles and folds, such as nasolabial folds (the creases that extend from the corner of your nose to the corner of your mouth). 1.5mL Syringe: $850.00

**Belotero**
Derma-Filler used to temporarily smooth out & fill moderate-to-severe folds or wrinkles.
$600 per syringe

**Restylane, Restylane Silk, Restylane Lyft**
Derma-Filler to add volume & fullness to the skin to correct moderate-severe facial wrinkles & folds.
$600 per syringe

**Sculptra**
Sculptra is an injectable used to add volume to the face to create a soft, natural, more youthful appearance of the face. It builds your own collagen while it gradually disappears. $1,500 for 2 vials

**Kybella**
The first and only FDA-approved injectable treatment that contours and improves the appearance of submental fullness, sometimes referred to as “double chin”. $2,400

**Wellness Spa, Body Treatments & Massages**

**Human Chorionic Gonadotropin (HCG) Injections - (Weight loss Program)**
The hCG weight loss program combines a low calorie diet with pain-free, subcutaneous injections of hCG. 20 Day Program $450.00 / 40 Day Program $900.00

**Skinfinite Massage, Lymphatic Drainage, Pregnancy, or Deep Tissue Massage**
Skinfinite’s massages are designed to reduce stress & tension as well as other therapeutic benefits. Duration of 1 hour. $100
Endermologie
Treatment for cellulite reduction & skin toning. (6) 30 Minute Treatment Series: $450 (6) 60 Minute Treatment Series: $900

Vaser Shape
VASER Shape is a non-surgical body shaping technology designed to contour unwanted fat pockets using massage & targeted ultrasound, temporarily reducing the appearance of cellulite. Package 6 treatments $1,800

ThermiTight
ThermiTight is a micro-invasive procedure where a tiny probe that emits radiofrequency energy is inserted under the skin applying energy directly to the target tissues causing immediate shrinkage. Assists with wrinkle reduction & skin tightening. Face & Neck: $2700 / Lower Face & Neck w/ Liposuction: $4150 Abdomen: $4000 / Thighs: $4000

ThermiSmooth Face
ThermiSmooth can restore radiance, propel collagen production and shrink those creepy areas back into plump, radiant, healthy-looking skin! Eye Treatment $250.00 / Lip Treatment $250.00

ThermiSmooth 250 Body
An FDA-approved non-invasive skin tightening & smoothing procedure that uses targeted radio frequency energy to stimulate the skin’s natural collagen. The heat & energy induces cell death of fat cells & promotes the production of collagen to tighten & smooth the treated area. It effectively reduces the appearance of wrinkles, treats cellulite, and removes fat from stubborn areas. One area - $625.00

ThermiRase – Longer Lasting BOTOX alternative
ThermiRase uses a Symphony RF radiofrequency device to ablate or injure the nerve. The effects last up to 18 months. $1,200

ThermiDry – Longer Lasting BOTOX alternative
ThermiDry® is a minimally-invasive treatment which targets axillary sweat producing glands in the underarms. $2,000

Ultherapy
Ultherapy is the only FDA-cleared procedure to non-invasively lift the eyebrow, neck and under-chin.

Full Face $3,500 / Full Face & Neck $4,500 / Full Neck $2,500 / Lower Face $2,500 / Lower Face & Full Neck $3,500 / Upper Face $1,500 / Décolleté $1,500

Cellfina
The Cellfina™ System is the only FDA-cleared minimally invasive procedure clinically proven to improve the appearance of cellulite for at least two years—the longest FDA-cleared duration for a cellulite treatment. Pricing depends on the amount of cellulite to be corrected. Procedure begins at $3,500
Cosmetic Surgical Menu**
